(Numbers refer to sections overleaf)

At least seven days notice is required before the first reading of banns.

(3) *If either of you will not be 18 by the proposed date of the wedding, the priest will need evidence that the consent of parents or guardians has been obtained.*

(4, 11, 12) *The Church's rules do not permit, as a right, the marriage in church of anyone who has been divorced from a husband, or a wife who is still alive. Where there has been such a marriage previously, a civil marriage may be followed by a church blessing.*

(6) *Make sure you include the name of the post town and post code.*

Changes of Address:

It is important to inform the priest if either or both parties to the proposed marriage change address between the completion of this form, and the wedding.

(9) *The priest is required to verify nationalities by taking copies of passports.*

(13) *'Baptism' is the same as 'Christening'. Unbaptised persons can consider being prepared for baptism and confirmation before their marriage.*

(15) *This means the Church of England parish in which you live. You can identify the parish by typing your postcode into "A Church Near You" website. If either of you lives in a different parish from that in which the marriage is to take place, you have to arrange for the banns to be read there too and obtain a banns certificate.*
